NORSYUHADDAH BT NORAZLAN

ELECTRICAL & ELECTRONIC ENGINEERING

-  Phone : +6018-7650388
 E-mail : norsyuhadda_17002019@utp.edu.my
 LinkedIn : linkedin.com/in/norsyuhaddah-norazlan-760959145
 Address : Bera, Pahang.

PROFILE

Electrical and Electronic Engineering student with great understanding of fundamentals and application of electrical and electronic engineering knowledge. An internship seeker who always aware and able to adapt to any environment, especially in a team.

EDUCATION

B.ENG (HONS)
ELECTRICAL & ELECTRONIC
ENGINEERING

Universiti Teknologi PETRONAS (2018 - present)

- Current Semester : Third Year First Semester
- Current CGPA : 3.52
- Current GPA : 3.52

FOUNDATION IN
ENGINEERING

Universiti Teknologi PETRONAS (2017 - 2018)

- CGPA : 3.57

SIJIL PELAJARAN
MALAYSIA (SPM)

MRSM Parit, Perak (2012 - 2016)

- Pure Science Stream
- Result : 9As

PROJECT

ENGINEERING TEAM
PROJECT

ZeroLeak (Team Leader)

- Invention of instant leak detection and enhance immediate action to be taken.
- Application through phone can easily turn on the valve install and prevent further damage.
- Skill set : **Project Management, Problem Solving, Decision Making, Data Collection, Analysis, Communication, Programming Engineering Design and Drawing.**

MPU4 PROJECT

"Hello_World" by Spark Power

- 7-days event focusing on exposing the participants on programming knowledge.
- Provide basic Python programming to local and international participants.
- Test knowledge through small contest based on problem solving question.
- Skill set : **Project Management, Problem Solving, Event Management, Decision Making, Teamwork, Programming and Communication.**

DOWN-TO EARTH PROJECT

- A social services project which helps the rural school area by renew, repaint, and restore their old building and learning environment. We execute the project at SK Suak Padi which is a school in Orang Asli village.
- Skill set : **Project Management, Problem Solving, Event Management, Decision Making, Teamwork and Communication.**

EXTRA-CURRICULAR ACTIVITY & TRAINING

- Kejohanan Silat Taming Sari (UKM) 2020 - Participants (Regu Puteri)
- UTP Virtual Team Race Challenge 2020 - Finisher
- Volunteer as Mentor in STEM, May 2020- Dec 2020
- Fabrication of Silicon Wafer (ADTEC Taiping) 2018 - Training
- eAspirasi Hackaton, MDEC (MRSM Felda Trolak) 2016 -Training

LEADERSHIP

- **Secretary**, Electrical & Electronic Engineering Student Society (E3S2), 2020
- **Assistant Treasurer**, Pencak Silat UTP, 2020
- **Vice President**, UTPeers, Support Group of UTP Psychological and Counselling Services, 2020
- **Secretary**, Kejohanan Warisan Dato Maharajalela UTP, 2019
- **Secretary**, Pencak Silat UTP, 2018-2019
- **Assistant Head of Logistics Department**, UTP Cashless Bazaar Ramadhan, 2019

SKILLS

- Video Editing (**Filmora, Powerpoint**)
- Programming (**C, C++, Pascal, Assembly Language, Python**)
- Drawing and Sketching (**AutoCAD**)
- Simulation (**Proteus, Arduino IDE, Tinkercad, MATLAB, Multisim, SAM**)
- Website Development (**WordPress, Wix, GitHub, Microsoft VS Code**)
- **Microsoft Offices (Word, Excel, Powerpoint)**
- Language Proficiency : Malay and English

REFEREES

Assoc. Prof. Ir Dr Nursyarizal bin Mohd Nor

- Chair of EEE Department
- Electrical & Electronic Engineering Student Society (E3S2) Club Advisor
- Contact number : +605-3687800 / +6012-5182278
- Email : nursyarizal_mnor@utp.edu.my

Mdm. Insyirah binti Hamid

- Academic Executives, EEE Department
- Electrical & Electronic Engineering Student Society (E3S2) Club Advisor
- Contact number : +605-3687808 / +6010-4648984
- Email : insyirah.hamid@utp.edu.my

Dr Abdul-Lateef Babatunde Balogun

- Engineering Team Project Supervisor
- Contact number : +605-3687298 / +6019-9014318
- Email : alateef.babatunde@utp.edu.my
